

KHALID MUNEER

LICENSED REAL ESTATE BROKER

ADVISOR / CONSULTANT

CIPS, TRC, ABR, GKC

Khalid grew up in the multicultural City of London, England, where he went to work after college for a London based International Investment bank with multiple postings overseas on various assignments in Egypt, Dubai, France, Germany, Netherlands, Switzerland, Seychelles, Italy and many other places, where he managed the International corporate assignments for the Bank.

With 17 years of International banking Career, he moved to Florida in 1991 to raise his family. Khalid has developed a passion for servicing the customer and the importance of developing relationships. That would later come in handy when he launched Jupiter Properties.”

Khalid founder and owner of Jupiter Properties has successfully built a few real estate brokerage firms from one employee to 27 with an emphasis on service and an international staff capable of servicing a culturally diverse customer base. Having lived in nine different countries, Muneer, has owned and operated different businesses, and acquired the skill set needed to excel in today’s rapidly changing and ultra-competitive real estate industry.

Today, Khalid owns multiple Residential, and commercial real estate companies, specializing in all aspects of the diverse real estate landscape, across Florida. He is very active and a well-respected business leader in the Central Florida markets. He leads many influential business and civic boards, involved with numerous non-profits, multi-cultural chambers of commerce, politically well connected, and a leader in the business community.
